

Database.Drasil

```
graph TD; A(Database.Drasil) --> B(Database.Drasil.Dump); B --> C(Database.Drasil.ChunkDB);
```

The diagram is a vertical flowchart with three nodes. The top node is a light green oval containing the text 'Database.Drasil'. A black arrow points downwards from this node to a light yellow oval containing 'Database.Drasil.Dump'. Another black arrow points downwards from the second node to a light yellow oval containing 'Database.Drasil.ChunkDB'.

Database.Drasil.Dump

Database.Drasil.ChunkDB
